Prof. Sniff gets a couple of burglars to go the cemetery to get the body of Hemingway Toots in order to prove that he died of water on the brain. Ashley, in love with Sniff's daughter, gets in a grave in order to be carried into the house so that he can elope with his sweetheart. Escaping from the burglars and eloping, one of the burglars tries to pass himself off as the corpse, but is discovered and chased all over the house, but finally escapes.
